

May 2013 Planning Committee notes May 28, 2013

All 4 committee members present:

Cindy Wade

Dave Whitcomb

Meg Reston

Bill Taylor

The committee voted unanimously to recommend to council adoption of the Complete Streets Policy which is a tool to guide improvements for transportation infrastructure going forward.

The city will develop street projects in an affordable, balanced and responsible way accommodating and encouraging all travel by motorists, bicyclists, public transit vehicles and pedestrians.
